Summary of Changes for Amendment 0012

Director for Primary Care MATO solicitation, N62645-05-R-0025

Question: In a recent debriefing for a different contract award, there seemed to be some confusion between our interpretation and the government's interpretation over what level of positions RNs and LPNs were under in the Wage Determination Schedule. Can the government please provide a listing of which Wage Determination level each RN and LPN position are under (e.g. RN II or RN III, LPN I or LPN II) for each of the San Diego MATOs and release this information to all prospective bidders via an amendment?

Answer: In section I, FAR Clause 52.222-42 Statement of Equivalent Rates for Federal Hires provides guidance to the offerors. Also, the U. S. Department of Labor provides information about each category. The U. S. Department of Labor website for this information is: <http://www.dol.gov/esa/regs/compliance/whd/wage/main.htm>.
